

ARRA IDEA Claims Due June 1, 2011

The next due date for ARRA IDEA claims is Wednesday, June 1. It is DPI's expectation that all LEAs will submit claims for their ARRA IDEA flow-through and preschool expenditures **TO DATE** by June 1, unless the LEA has already submitted a final claim for these funds. This information will be submitted to the federal government. LEAs can submit additional claims after June 1 to close out the fiscal year. All ARRA funds must be obligated by September 30, 2011.

It is vital that LEAs submit ARRA claims for expenditures made to date. This will be subject to review during the single audits performed this summer. Not submitting claims in a timely manner for expenditures made is a violation of the ARRA grant agreement made when the LEA accepted the stimulus funds. If the LEA has made ARRA-charged expenditures for the past year but has not yet submitted any claims for the expenditures, do so by June 1.
